

Privacy Policy

Version 2.0 – Dated May 15, 2024

At Acsia, we take your privacy seriously. Please read this Privacy Policy to learn how we treat your personal data. By using or accessing our Services in any manner, you acknowledge that you accept the practices and policies outlined below, and you hereby consent that we will collect, use, and share your information as described in this Privacy Policy.

Remember that your use of Acsia’s Services is at all times subject to our Terms of Use <https://www.acsiatech.com/terms-of-use/> along with this Privacy Policy. Any terms we use in this Policy without defining them have the definitions given to them in the Terms of Use.

We’re constantly trying to improve our Services, so we may need to change this Privacy Policy from time to time, but we will alert you to any such changes by placing a notice on the Acsia website, by sending you an email and/or by some other means. Please note that if you’ve opted not to receive legal notice emails from us (or you haven’t provided us with your email address), those legal notices will still govern your use of the Services, and you are still responsible for reading and understanding them. If you use the Services after any changes to the Privacy Policy have been posted, that means you agree to all of the changes.

We will not collect additional categories of Personal Data or use the Personal Data we collected for materially different, unrelated or incompatible purposes without providing you notice.

How We Disclose Your Personal Data

We disclose your Personal Data to the categories of service providers and other parties listed in this section. Depending on state laws that may be applicable to you, some of these disclosures may constitute a “sale” of your Personal Data. For more information, please refer to the state-specific sections below.

Service Providers. These parties help us provide the Services or perform business functions on our behalf. They include:

- Hosting, technology and communication providers
- Support and customer service vendors

Advertising Partners. These parties help us market our services and provide you with other offers that may be of interest to you. They include:

- Ad networks.

Analytics Partners. These parties provide analytics on web traffic or usage of the Services. They include:

- Companies that track how users found or were referred to the Services.
- Companies that track how users interact with the Services.

Legal Obligations

We may share any Personal Data that we collect with third parties in conjunction with any of the activities set forth under “Meeting Legal Requirements and Enforcing Legal Terms” in the “Our Commercial or Business Purposes for Collecting Personal Data” section above.

Business Transfers

All of your Personal Data that we collect may be transferred to a third party if we undergo a merger, acquisition, bankruptcy or other transaction in which that third party assumes control of our business (in whole or in part). Should one of these events occur, we will make reasonable efforts to notify you before your information becomes subject to different privacy and security policies and practices.

Data that is Not Personal Data

We may create aggregated, de-identified or anonymized data from the Personal Data we collect, including by removing information that makes the data personally identifiable to a particular user. We may use such aggregated, de-identified or anonymized data and share it with third parties for our lawful business purposes, including to analyze, build and improve the Services and promote our business, provided that we will not share such data in a manner that could identify you.

Tracking Tools, Advertising and Opt-Out

The Services use cookies and similar technologies such as pixel tags, web beacons, clear GIFs and JavaScript (collectively, “Cookies”) to enable our servers to recognize your web browser, tell us how and when you visit and use our Services, analyze trends, learn about our user base and operate and improve our Services. Cookies are small pieces of data— usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Services. We may also supplement the information we collect from you with information received from third parties, including third parties that have placed their own Cookies on your device(s). Please note that because of our use of Cookies, the Services do not support “Do Not Track” requests sent from a browser at this time.

We use the following types of Cookies:

- **Essential Cookies.** Essential Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Services. Disabling these Cookies may make certain features and services unavailable.
- **Functional Cookies.** Functional Cookies are used to record your choices and settings regarding our Services, maintain your preferences over time and recognize you when you return to our Services. These Cookies help us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Performance/Analytical Cookies.** Performance/Analytical Cookies allow us to understand how visitors use our Services. They do this by collecting information about

the number of visitors to the Services, what pages visitors view on our Services and how long visitors are viewing pages on the Services. Performance/Analytical Cookies also help us measure the performance of our advertising campaigns in order to help us improve our campaigns and the Services' content for those who engage with our advertising.

You can decide whether or not to accept Cookies through your internet browser's settings. Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our website and some of the Services and functionalities may not work.

To explore what Cookie settings are available to you, look in the "preferences" or "options" section of your browser's menu. To find out more information about Cookies, including information about how to manage and delete Cookies, please visit <http://www.allaboutcookies.org/> or <https://ico.org.uk/for-the-public/online/cookies/> if you are located in the European Union.

Data Security and Retention

We seek to protect your Personal Data from unauthorized access, use and disclosure using appropriate physical, technical, organizational and administrative security measures based on the type of Personal Data and how we are processing that data. Although we work to protect the security of your data that we hold in our records, please be aware that no method of transmitting data over the internet or storing data is completely secure.

We retain Personal Data about you for as long as necessary to provide you with our Services. In some cases we retain Personal Data for longer, if doing so is necessary to comply with our legal obligations, resolve disputes or collect fees owed, or is otherwise permitted or required by applicable law, rule or regulation. We may further retain information in an anonymous or aggregated form where that information would not identify you personally.

Personal Data of Children

Our Services are not intended for use by persons under sixteen (16) years of age and we do not knowingly collect or solicit Personal Data about children under 16 years of age. If you are a child under the age of 16, please do not attempt to register for or otherwise use the Services or send us any Personal Data. If we learn that we have collected Personal Data from a child under 16 years of age, we will delete that information as quickly as possible. If you believe that a child under 16 years of age may have provided Personal Data to us, please contact us at isms@acsiatech.com.

Other State Law Privacy Rights

California Resident Rights

Under California Civil Code Sections 1798.83-1798.84, California residents are entitled to contact us to prevent disclosure of Personal Data to third parties for such third parties' direct marketing purposes; in order to submit such a request, please contact us at isms@acsiatech.com.

Nevada Resident Rights

If you are a resident of Nevada, you have the right to opt-out of the sale of certain Personal Data to third parties who intend to license or sell that Personal Data. You can exercise this right by contacting us at isms@acsiatech.com with the subject line "Nevada Do Not Sell Request" and providing us with your name. Please note that we do not currently sell your Personal Data as sales are defined in Nevada Revised Statutes Chapter 603A.

European Union and United Kingdom Data Subject Rights

EU and UK Residents

If you are a resident of the European Union ("EU"), United Kingdom ("UK"), Lichtenstein, Norway or Iceland, you may have additional rights under the EU or UK General Data Protection Regulation (the "GDPR") with respect to your Personal Data, as outlined below.

For this section, we use the terms "Personal Data" and "processing" as they are defined in the GDPR, but "Personal Data" generally means information that can be used to individually identify a person, and "processing" generally covers actions that can be performed in connection with data such as collection, use, storage and disclosure. Acsia will be the controller of your Personal Data processed in connection with the Services.

If there are any conflicts between this section and any other provision of this Privacy Policy, the policy or portion that is more protective of Personal Data shall control to the extent of such conflict. If you have any questions about this section or whether any of the following applies to you, please contact us at isms@acsiatech.com. Note that we may also process Personal Data of our customers' end users or employees in connection with our provision of certain services to customers, in which case we are the processor of Personal Data. If we are the processor of your Personal Data (i.e., not the controller), please contact the controller party in the first instance to address your rights with respect to such data.

Personal Data We Collect

The "Categories of Personal Data We Collect" section details the Personal Data that we collect from you.

Personal Data Use and Processing Grounds

The "Our Commercial or Business Purposes for Collecting Personal Data" section explains how we use your Personal Data.

We will only process your Personal Data if we have a lawful basis for doing so. Lawful bases for processing include consent, contractual necessity and our "legitimate interests" or the legitimate interest of others, as further described below.

- **Contractual Necessity:** We process the following categories of Personal Data as a matter of “contractual necessity”, meaning that we need to process the data to perform under our Terms of Use with you, which enables us to provide you with the Services. When we process data due to contractual necessity, failure to provide such Personal Data will result in your inability to use some or all portions of the Services that require such data.
 - Profile or Contact Data
 - Payment Data
 - Commercial Data
 - Device/IP Data
 - Web Analytics
 - Professional or Employment-Related Data
 - Geolocation Data
 - Other Identifying Information that You Voluntarily Choose to Provide

- **Legitimate Interest:** We process the following categories of Personal Data when we believe it furthers the legitimate interest of us or third parties:
 - Profile or Contact Data
 - Payment Data
 - Commercial Data
 - Device/IP Data
 - Web Analytics
 - Professional or Employment-Related Data
 - Geolocation Data
 - Other Identifying Information that You Voluntarily Choose to Provide
 - We may also de-identify or anonymize Personal Data to further our legitimate interests

Examples of these legitimate interests include (as described in more detail above):

- Providing, customizing and improving the Services
- Marketing the Services
- Corresponding with you
- Meeting legal requirements and enforcing legal terms
- Completing corporate transactions

- **Consent:** In some cases, we process Personal Data based on the consent you expressly grant to us at the time we collect such data. When we process Personal Data based on your consent, it will be expressly indicated to you at the point and time of collection.

- **Other Processing Grounds:** From time to time we may also need to process Personal Data to comply with a legal obligation, if it is necessary to protect the vital interests of you or other data subjects, or if it is necessary for a task carried out in the public interest.

Sharing Personal Data

The “How We Share Your Personal Data” section above details how we share your Personal Data with third parties.

EU Data Subject Rights

You have certain rights with respect to your Personal Data, including those set forth below. For more information about these rights, or to submit a request, please email us at isms@acsiatech.com. Please note that in some circumstances, we may not be able to fully comply with your request, such as if it is frivolous or extremely impractical, if it jeopardizes the rights of others, or if it is not required by law, but in those circumstances, we will still respond to notify you of such a decision. In some cases, we may also need you to provide us with additional information, which may include Personal Data, if necessary to verify your identity and the nature of your request.

- **Access:** You can request more information about the Personal Data we hold about you and request a copy of such Personal Data.
- **Rectification:** If you believe that any Personal Data we are holding about you is incorrect or incomplete, you can request that we correct or supplement such data.
- **Erasure:** You can request that we erase some or all of your Personal Data from our systems.
- **Withdrawal of Consent:** If we are processing your Personal Data based on your consent (as indicated at the time of collection of such data), you have the right to withdraw your consent at any time. Please note, however, that if you exercise this right, you may have to then provide express consent on a case-by-case basis for the use or disclosure of certain of your Personal Data, if such use or disclosure is necessary to enable you to utilize some or all of our Services.
- **Portability:** You can ask for a copy of your Personal Data in a machine-readable format. You can also request that we transmit the data to another controller where technically feasible.
- **Objection:** You can contact us to let us know that you object to the further use or disclosure of your Personal Data for certain purposes, such as for direct marketing purposes.
- **Restriction of Processing:** You can ask us to restrict further processing of your Personal Data.
- **Right to File Complaint:** You have the right to lodge a complaint about Acsia’s practices with respect to your Personal Data with the supervisory authority of your country or EU Member State. A list of Supervisory Authorities is available here: https://edpb.europa.eu/about-edpb/board/members_en

Transfers of Personal Data

The Services are hosted and operated in the United States (“U.S.”) through Acsia and its service providers, and if you do not reside in the U.S., laws in the U.S. may differ from the laws where you reside. By using the Services, you acknowledge that any Personal Data about you, regardless of whether provided by you or obtained from a third party, is being provided to Acsia in the U.S. and will be hosted on U.S. servers, and you authorize Acsia to transfer, store and

process your information to and in the U.S., and possibly other countries. You hereby consent to the transfer of your data to the U.S. pursuant to: (i) a data processing agreement incorporating standard data protection clauses, (ii) binding corporate rules for data protection that align with the GDPR's requirements, or (iii) adherence to an industry- or technology-specific approved code of conduct blessed by the European Commission.
